Of my own free will and in alignment with my heart, I join the Community of the Church of Universum, fully aware of my decision as an expression of my soul’s inner calling.

I have familiarized myself with the mission, values, principles, Statute, and Doctrine of the Church of Universum, and I find in them a deep resonance with my own spiritual path. I understand their meaning and wholeheartedly express my willingness to co-create a space of growth, awareness, and unity with other members of the Community.

I accept the Statute and doctrinal principles of the Church of Universum and fully agree with their content. I commit to respecting them and to actively participating in the life and growth of the Church, guided by light, responsibility, and the inner truth of the heart.
